

Canadian Risk and Hazards Network
T. JOSEPH SCANLON LIFETIME ACHIEVEMENT AWARD
Nomination Form

The CRHNet Lifetime Achievement Award was established in 2016 and is the organizations highest honour. It recognizes the lifetime contributions and exemplary work of colleagues in strengthening and advancing Canadian public safety.

Each year, one recipient is selected to be recognized by their peers for their collective contributions to disaster risk management education, practice, and/or research.

There is no monetary compensation associated with this award, and the award is presented at the CRHNet annual symposium. The recipient's profile will be featured in HazNet, CRHNet's signature publication.

Candidates must be nominated by another individual who is a practitioner, trainer, academic, or researcher in Canadian disaster management or public safety-related field. Only nominated applications will be considered.

Completed nomination packages (including the nomination form below) are to be submitted by e-mail to the Scanlon Lifetime Achievement Award Coordinator in Word or PDF format by the stated deadline. Please ensure the e-mail subject line reads: Scanlon Lifetime Achievement Award.
